

# Tell Me About Your Art!

## Dear Kindergarten Families:

We have been making different types of Art Lines with a variety of art materials.  
We made different types of lines at

## LINE STATIONS.

<b>Looking:</b>	We looked at <i>Night Scene</i> by Harold Balazs or <i>The Round Table</i> by George Braque and found straight, curved, and zigzag/jagged lines.
<b>Talking:</b>	We talked about making straight, curved, and zigzag/jagged lines with fabric strips, in sand, and with wire.
<b>Making:</b>	We focused on the process of creating these different types of art lines, rather than making something to take home.

## Art at Home

### Together:

You could draw straight, curved, and zigzag lines in any soft media.

### Questions to ask:

What kinds of lines do you see around you?

**Straight, curved, and zigzag/jagged lines can be created with many different art materials.**
